Defendant.)	

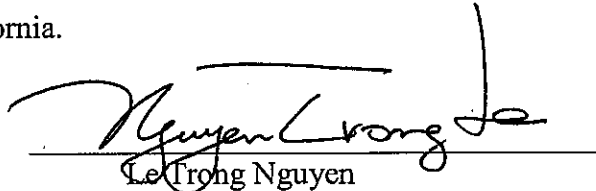

DECLARATION OF LE TRONG NGUYEN

I, Le Trong Nguyen, declare as follows:

1. I am the President of Mobile Desktop Solutions, 19925 Stevens Creek Blvd., Cupertino, CA 95014. Unless specifically stated to the contrary, I have personal knowledge of the facts stated in this declaration.
2. I am one of the named inventors of U.S. Patents Nos. 5,493,687; 5,737,624; 5,838,986; 5,974,526; 6,044,449 and 6,289,433, which I understand are involved in the patent litigation identified above.
3. From October 1988 until August 1992, I was contracted by SMOS Systems Inc. of San Jose, California, an affiliate of Seiko Epson Corporation of Tokyo, Japan, to direct a design and development effort called "Project Seabird."
4. Project Seabird was a major microprocessor development effort to develop an X86 compatible processor in competition with Intel Corporation.
5. The above referenced patents arose from the research and development work of Project Seabird.

6. The design and development work of Project Seabird resulted in a microprocessor chip that was successfully built and tested. However, Seiko Epson ultimately concluded that it could not effectively compete with Intel, and Project Seabird was phased out in 1992.

I declare under penalty of perjury that the foregoing is true and correct. Executed this 27th day of July, 2007, at Palo Alto, California.

Le Trong Nguyen

CERTIFICATE OF SERVICE

I, the undersigned, hereby certify that on August 17, 2007, I electronically filed the foregoing with the Clerk of the Court using CM/ECF, which will send notification of such filing(s) to the following:

Josy W. Ingersoll

I also certify that copies were caused to be served on August 17, 2007, upon the following in the manner indicated:
